## **Maienschein Secures Clean-Up Along Pomerado Road in Scripps Ranch**

I am pleased to announce that I had the City remove dead trees and brush from the right-of-way on the south side of Pomerado Road, west of Willow Creed Road and adjacent to property owned by the University of California-San Diego.

The crews removed trees and branches that were in danger of falling on passing motorists, as well as those trees further back from the road that were dead and a threat to fire safety. As you know, the trees and brush in this area burned in the Cedar Fire of October 2003.

Immediately after the fire, crews from the City and State spent months removing hundreds of burned trees from the right-of-way further east on Pomerado Road. I am elated that the property at one of the busiest entrances to the community is cleaned up, and now reflects the tree-lined beauty of Scripps Ranch that we all love.

Councilmember Maienschein thanks an employee of West Coast Arborists for clearing and removing fire-related debris from the right-of-way along Pomerado Road.

## Repairs Planned for Pomerado Road in RB

I am pleased to announce that I was able to secure \$350,000 from State Proposition 42 funds to repair portions of Pomerado Road.

The money will be used to repair Pomerado Road between Rancho Bernardo Road and Interstate 15. Permanent repairs are expected to begin in March or April of this year.

In the meantime, City staff will do interim patching in both directions. Once the repairs are completed, the surface will be smooth and pothole-free.

Councilmember Brian Maienschein visited repair sites on Pomerado Road.

## Construction Underway for New Music Wing at RB High

On Thursday, January 19, 2006, I attended the groundbreaking for the new \$1.6 million Rancho Bernardo High School music wing, which will include a 2,100-square-foot rehearsal hall.

This building was made possible by Proposition U, a \$198 million school bond measure that was approved by voters in November 2002, as well as the boosters who raised more than \$650,000 for this building.

The facility is expected to be completed in August, in time for the 2006-2007 school year.

Pictured above is Councilmember Maienschein with RB High School officials and school district officials at the groundbreaking ceremonies for the new music wing.

## **Maienschein Joins in Celebration at Father Joe's**

On December 14, 2005, I joined Father Joe Carroll to celebrate the grand opening of the new and improved Joan Kroc Center Playground. This playground will provide an opportunity for fun and exercise for all of the child residents who call Father Joe's Village home. I allocated \$15,000 of Community Development Block Grants to aid in the completion of this project.
